

## Lunch

the hikers returned to the shelter to the smell of sizzling kielbasi. The club provided grilled hot dogs, buns, condiments and kielbasi and sauerkraut, bottled water and a large cake. Attendees each brought a side dish and the array of food was amazing and delicious. While we ate, Dianne held a short informal meeting, nominating officers for the upcoming year. Susanne Varley was elected President, Monica Miller, VP and Dianne will continue as Treasurer. Our thanks and best wishes to outgoing President, Janet Thorne, who is moving out of town, for her past service to the club.
